SOVARANI MEMORIAL COLLEGE

REPORT ON THE NAMO SEVA PROGRAMME

"Namo Seva Gatha" and "25 Crore Baccho Ke Sapne Ka Bharat"

Name of the Institution	Sovarani Memorial College
Date of the Programme	6 October 2026
Venue	Sovarani Memorial College

Introduction

Sovarani Memorial College organised a programme titled "Namo Seva" on 6 October 2026. The programme was designed to inspire students, encourage reflection on the values of selfless service and social responsibility, and familiarise them with the vision of a developed India (Viksit Bharat). Students participated in two thoughtfully structured segments that combined cultural expression, discussion and interactive learning.

Programme Proceedings

The programme comprised two principal segments. The first segment, "Namo Seva Gatha", featured a theatrical presentation by student performers. Through expressive acting and dramatic storytelling, the students highlighted the values of selfless service, dedication and contribution to society. The presentation provided an engaging platform for students to communicate these values through creative performance.

The second segment, "25 Crore Baccho Ke Sapne Ka Bharat", focused on the vision of Viksit Bharat. It included short speeches by students, through which they shared their perspectives on youth participation and nation-building. A picture exhibition presented visual material on India's growth, innovation and achievements. The segment also included a quiz competition that encouraged students to test and broaden their knowledge of major national developments and historical milestones.

Student Participation and Attendance

Students from different semesters and academic programmes took part in the activities. The original handwritten attendance records supplied for the programme have been retained in this report as documentary evidence. The attendance sheets, including the entries and signatures as recorded, are reproduced in the annexure without alteration.

Outcome and Significance

The programme offered students an opportunity to express their creativity, communicate their ideas and engage with themes of service, social contribution and national development. The theatrical presentation, student speeches, picture exhibition and quiz competition together created a participatory learning environment. The event also provided a platform for students to reflect on their role in shaping a self-reliant and developed India.

Conclusion

The Namo Seva Programme at Sovarani Memorial College brought together cultural performance, student expression and knowledge-based activities. Through its two segments, the programme encouraged students to appreciate the importance of service and to consider the contribution of young people to nation-building. The photographs and original attendance sheets appended to this report serve as supporting records for institutional documentation.
