Annual Maintenance Contract (AMC) of Computer Networking Security and Peripherals Service Contract (AMC - Annual Maintenance Contract)

We can offer your institute a support and service contract to keep your Institutions' computer systems and network at peak performance. The service contract includes regular scheduled maintenance for all systems and equipment at an agreed service level and cost

On-site support

We offer phone and on-site support of desktop/Laptops and server operating systems as well as support for a wide range of hardware. We aim to provide you with the highest possible level of customer service. When you call us we assign you with an experienced technician who can provide you with an 'end-to-end' resolution to your problem. Our technician will assess your situation, before recommending a course of action. If it is necessary to buy new parts or software than the technician will install these and ensure that you have a working system.

Rest assured that Clear Intentions keeps track of your support history so that we can maintain the continuity of care that you expect and trust.

Off-site / remote systems management

For fast, efficient more cost-effective support, Clear Intentions can instigate a protocol to manage your Institution's IT systems remotely. Problems can be fixed quickly and without waiting for a technician. Many tasks can be performed remotely including:

- Performing security checks
- Maintenance of user accounts and permissions
- Network operations and monitoring
